

Billing

Understanding your billing obligations will help you avoid penalties and maintain uninterrupted coverage. Keep these points in mind:

- Growers are responsible for paying their insurance premiums as soon as possible.
- Interest will begin to accrue at a rate of 1.5% every 30 days after the due date until the balance is paid in full.
- To avoid being placed on the Ineligible Tracking System (ITS) list, all outstanding balances must be paid to the AIP by the next Sales Closing Date or Cancellation Date.
- If you have a payment agreement in place, ensure it is properly signed and dated for activation.
